

# Magic Blooming Flowers!

YOU'LL NEED: PAPER FLOWERS, CRAYONS,  
SHALLOW DISH OF WATER, SCISSORS

- **COLOR** flowers with crayon- use our templates, or draw your own onto paper.
- **CUT** out the flowers, making sure to get in between each petal.
- **FOLD** each petal in towards the center, make a little pocket.
- **PLACE** each flower in a dish of water, and watch the flowers magically bloom!
