

# BUBBLE WRAP BATH

MATERIALS: PAPER, MARKER, BUBBLE WRAP,  
PAINT, GLUE STICK, PAPER DUCK

- **DRAW** a bathtub shape onto your paper.
- Put a small amount of washable paint onto a paper plate or piece of cardboard.
- Gently **DIP** a small corner of bubble wrap into the paint. Dab off the paint a little by tapping it onto a paper towel, then use the bubble wrap like a **STAMP**, pressing it onto your bathtub. Look, you made bubbles!
- You can finish off your bath painting by adding a rubber ducky. Scrub a dub!
