Cardboard Llamas!

YOU'LL NEED: CARDBOARD OR CARDSTOCK, MARKERS, YARN, SCISSORS, TAPE

- **DRAW** a llama onto a piece of thin cardboard, like a cereal box. You can use this template, or draw your own!

- **CUT** out the llama. Then, add a face and decorate your llama- what **TEXTURE** is your llama's fur? How might you draw that?

- **CUT** a length of yarn, and tape it to the back. **WRAP** the yarn around and around the belly, and tape the end down when it's done. You can add different colored yarns and add beads to decorate.

Did you know...?

- In **SOUTH AMERICA**, llamas are often dressed in special tassels, pompoms, and blankets to identify which family they live with.
