

HUNGRY MOUSE GAME

MATERIALS: PAPER PLATE, SCISSORS, SCRAP PAPER, YARN, FOAM OR FELT MOUSE, MARKER

- **COLOR** your pumpkin, you may want to add some lines to show the **ROUND** shape of the pumpkin.
- **CUT** a small oval shaped mouse, and add a face.
- **CUT** 4 or 5 holes in your paper plate, big enough for your mouse to go through.
- **CUT** out a pumpkin stem and leaves to decorate. TIP: To make curly vines, wrap a long, thin strip of paper around a pencil. When you unroll it, it will be curled!
- **TAPE** your mouse to a long piece of yarn, and then tape the other end of the yarn onto the back of you plate.
- Now you can weave your mouse in and out of the holes, like they're nibbling through your pumpkin!
